Adamus Media Adds The Vein Center to Client Roster Marketing Agency Will Rebrand and Develop New Website for the Mount Pleasant Clinic, Which Treats Varicose Veins and Related Issues

May 10, 2013

MOUNT PLEASANT, S.C., May 10, 2013 — Adamus Media, a design and advertising firm with offices in Mount Pleasant and Williamstown, N.J., announces it has added The Vein Center of Mt. Pleasant to its growing list of clients in the region.

The Vein Center hired Adamus Media to help with its rebranding and website design, with the new site scheduled to launch this month. The clinic, run by Dr. Thomas Wieters, treats patients suffering from varicose veins and Chronic Venous Insufficiency. Dr. Wieters was the first physician in the state to perform the VNUS Closure procedure, a non-invasive, state-of-the-art treatment for varicose veins. The procedure uses local anesthesia and requires less than an hour.
